

DINAIR®

Spa Pro Kit

Color & Tan

only \$1552.00

You'll love this... You can actually see the tan appear as you airbrush. Dinair's Sunless Tanner will not rub off on to clothes or bed sheets. The final effect will last up to ten days as the skin slowly exfoliates off the dead skin tissue. The Dinair Airtan™ is a "feel good" product.

Components

- Dinair Cosmetics, 25 Shade Set
